

# Next Steps

## You've completed Learn Go: Loops and Arrays! What's next?

Congratulations, you've successfully completed the Learn Go: Loops and Arrays course! You've learned how to automate repetitive actions using loops and organize and manipulate data with arrays.

Your learning journey into the Go programming language isn't over yet! Here is our roadmap to mastering Go:

- [Learn Go: Fundamentals](#)
- [Learn Go: Conditionals](#)
- [Learn Go: Functions](#)
- [Learn Go: Loops and Arrays](#) ← Completed!
- [Learn Go: Maps and Structs](#) ← Up next!

Once again, congratulations on finishing the Learn Go: Loops and Arrays course! We are excited to see what you accomplish next.
